ADDENDUM TO FENCE PERMIT APPLICATION

Date: _____

Job Address: _____

It is understood that fences and walls that obstruct vision may not exceed 2 ½ feet in height when located either within 10 feet of the edge of any driveway leading to a public right-of-way, or within the "Safe Sight Distance Triangle", as defined in Section 33-11(b) of Metropolitan Dade County. I certify that this fence will not be located within the rights of way indicated in Section 33-133 of the Code of Miami-Dade County. I further acknowledge that the issuance of this permit shall not be construed as permission to violate any provisions of Dade County Ordinances.

Additionally, an As-Built survey may be required by the department at the owner's expenses, if there is a concern that the fence or wall encroaches on neighboring properties, easements or public right-of-way. Please be advised, if violations are found to exist the law provides that tickets shall be issued resulting in penalties of up to \$500.00 per day (Chapter 8CC of the Code of Metropolitan Dade County).

Hold Harmless

As legal owner of the above-mentioned property, I hereby agree to hold the City of Homestead, its agents and authorized personnel harmless and relieve damage, cost or expenses (including attorney's fees) resulting from the installation of the fence encroaching into a utility easement and/or adjacent property at the above address. I furthermore assume responsibility for the correction if required, of work performed under the fence permit.
